Item #	Rule (16.03.22)	Description
1	.215. REQUIREMENTS FOR A FACILITY ADMINISTRATOR.	The facility did not have an approved licensed administrator from 6/23/22 to 8/9/22. The administrator functioned as the administrator of the Ashley Manor Iowa facility and a sister facility during this timeframe without an approved plan of operation from the Department. The Vice President of Operations confirmed the administrator was responsible for both the Ashley Manor Iowa facility along with a sister facility between 6/23/22 and 8/9/22 without an approved plan of operation from the department.
