Item #	Rule (16.03.22)	Description
1	.330.06.c. Behavior Documentation.	The facility did not document the times and dates of behaviors, what interventions were used, and the effectiveness of the interventions, for example, Resident #1 on 11/26/24 grabbed another resident by the wrist and twisted until they were seperated by staff. Resident #1 on six occasions between February 2025 and April 2025 urinated on the floor and in trash cans around the facility. Resident #4 on 2/17/25 was found throwing toilet paper with feces on it around their bedroom and on 11/19/24 when the resident was physically and verbally attacking another resident whom they thought were stealing items from their room. Resident #1 and Resident #4's behavior interventions had not been attempted nor documented for each occurrence. The assistant administrator stated residents' behaviors were not consistently documented and they continued to educate staff on appropriate documentation.
