Facility	License #	Physical Address	Phone Number
Woodland Assisted Living	RC-1340	19937C US-30	208-543-9050
Administrator	City	Zip Code	Survey Date
Pam Crabtree	Buhl	83316	02/11/2026
Survey Team Leader	Survey Type		Response Due
Bollinger, Torrey	Health Care Initial Licensure		03/13/2026

Item #	Rule (16.03.22)	Description
1	.151. ACTIVITY REQUIREMENTS.	During observations from 2/9/26 to 2/11/26, no activities were observed or offered to residents. Staff stated the residents usually watched television. The administrator stated staff should be following the activity calendar.
2	.250.09. Resident Sleeping Rooms.	The facility did not maintain water temperatures between 105 and 120 degrees F. For example, between 2/9/26 and 2/10/26, water temperatures in resident room #3 and the common bathroom were observed to be as high 146 degrees F and as low as 92 degrees F. The administrator and maintenance staff stated they were not aware of the out-of-range water temperatures.
3	.260.06. Toxic Chemicals.	The facility was not maintained in a clean, safe, and orderly manner. For example: Each wooden deck was observed to have chipped, scratched paint, and cracked boards on the deck and rails. Chips and worn areas were observed to be in the concrete walkway on the side of the building, the concrete patio at the smoking area was observed to have areas of chipping, the front screen door was torn, and the toilets in rooms #3 and #10 were observed to be soiled around the bases. Additional flooring in the bathroom in room #3 was soiled. The door to resident room #3 did not latch. Exterior

		siding was worn, damaged, and coming apart on multiple sides of the building. The administrator stated they were working on the environmental issues.
4	.335.02. Standard Precautions.	On 2/9/26 and 2/10/26, multiple staff were observed to use a shared cloth towel in the kitchen to dry their hands and dishes such as a coffee pot. Caregiving staff did not wear aprons while in the kitchen preparing and cooking food. A common cloth hand towel was observed in the bathroom across from room #1 and disposable towels were not always available.
5	.460.02.d. Frequency of Meals.	The facility did not offer snacks to residents three times daily. Staff stated the residents could ask for a snack if they wanted one and snacks were kept in cupboards and in a corner of the counter in the kitchen. Several residents stated they were not offered snacks three times daily and snacks were not readily available for them. The administrator stated the residents could have snacks whenever they asked for them and snacks were in the kitchen.
